ACKNOWLEDGEMENT

It gives us immense pleasure to express our profound gratitude to Honorable "Mr.Avnish Thakur" for providing us with wonderful opportunity to work on this GYM website development project.

We would like to acknowledge that this Web Project on the topic "GYM WEBSITE " is completed entirely by us and not by someone else and the whole source code belong to us and not copied from anywhere else.

OVERVIEW

This is dynamic website which provides all the services required for a people who want to join GYM and Build his body and Follow dreams. Its Provides Plans, About Trainers and Fees and more Information.

The website has been developed using HTML, CSS and a small part of JAVASCRIPT. As HTML is a markup language which is in reality a backbone of any site, every site can't be structured without the knowledge of HTML.

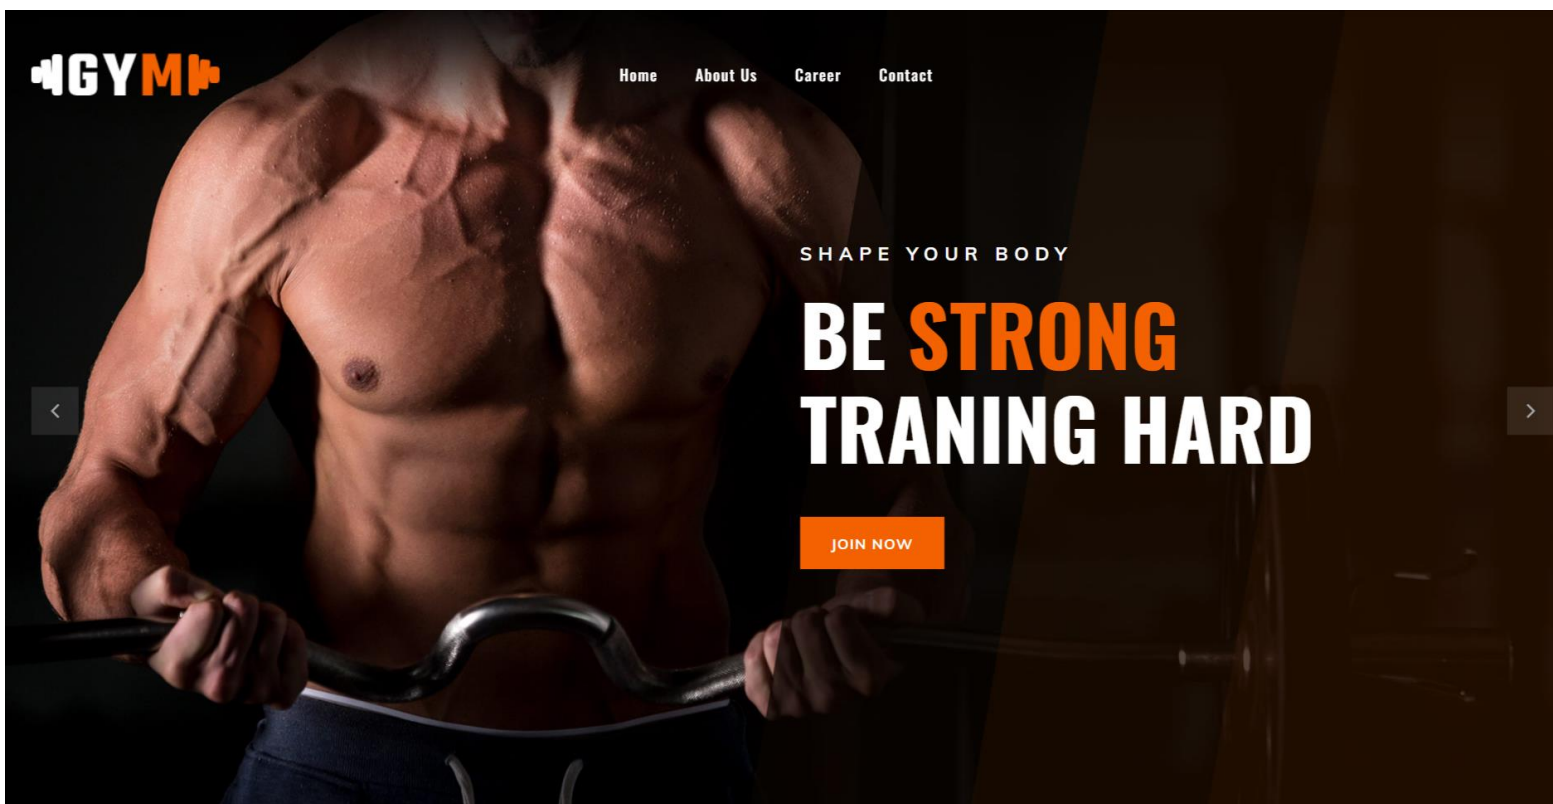

We used Cascading Style Sheet(CSS)to ensure thatour webpage becomes interactive and more effective.
